Vol. 158

WASHINGTON, FRIDAY, FEBRUARY 17, 2012

No. 27

House of Representatives

The House met at 9 a.m. and was called to order by the Speaker.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer: Almighty God of the universe, we give You thanks for giving us another day.

We pray for the gift of wisdom to all with great responsibility in this House for the leadership of our Nation.

May all the Members have the vision of a world where respect and understanding are the marks of civility and where honor and integrity are the marks of one's character.

As Members take time in the coming week for constituency visits, give them the ability to hear the voices of all in their districts so that when they return, they are focused on the important work to be done.

Bless us this day and every day, and may all that is done within these hallowed Halls be for Your greater honor and glory.

Amen.

ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair will entertain up to five requests for 1-minute speeches from each side of the aisle.

THE PRESIDENT'S POLICIES ARE FAILING SMALL BUSINESS OWNERS

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, earlier this week, a Gallup poll was released which sadly stated that 85 percent of small business owners surveyed were not looking for new employees; 66 percent cite the economic recession, 48 percent blame rising health care costs due to the government health care takeover bill, and 46 percent are worried about new government regulations.

These statistics show that the President's policies are failing America's small business owners. The President continues to support policies that are destroying jobs. According to the National Federation of Independent Business, ObamaCare, alone, will destroy 1.6 million jobs.

Over the past year, House Republicans have passed dozens of pieces of legislation that promote job creation and allow small business owners to gain the confidence to begin hiring again. I urge my colleagues in the liberal-controlled Senate and the President to support these initiatives and help put American families back to work.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

NO BUDGET, NO PAY

(Mr. ALTMIRE asked and was given permission to address the House for 1 minute.)

Mr. ALTMIRE. Every year around this time, the President submits a budget, the House and Senate debate their own budgets and, well, nothing happens. Congress has not adopted a budget in over 1,000 days, and it's been 15 years since Congress passed all of its appropriations bills on time. This is simply unacceptable, and that's why I ask my colleagues to join me and the bipartisan cosponsors of the No Budget, No Pay Act.

This bill is simple. It says that if Congress can't complete its work, if the budget and appropriations bills are not done on time, then congressional pay would cease and Members of Congress would not be paid until those bills are enacted. Members could not receive their lost salaries retroactively. Once pay is withheld, it's gone forever.

Somehow, I think if this bill were law, Members would find a new urgency and finally find a way to get their work done on time.
